We were on our way out for an early dinner and I had just put on my fishnets. As Danny spun me around, I was surprised to see his pants were off and his dick was standing at attention. He carried me to the sofa and gave me the best pussy licking and fuck. What a great start to the evening.

Bethany and I have been roommates with benefits for about a year. We always coordinate our work schedule so we both have the same days off. That's easy to do since we've become roomies. # Lay of the Land

"**T**his is the master bedroom," smiled Mrs. S. with a flirtatious leer, pointing to a chamber of mirrors, ruffles, plush rugs, and king-sized bed. (Mrs. S. is the homeowner that engaged my services to sell her home.)

"Yes, I figured that," I stuttered, struggling to get past her on my way to measure the room. She wouldn't budge from the doorway, forcing me to rub my chest against the large, pointed breasts that pushed through her sweater like a pair of fleshy mountains.

My stiffening cock grew several inches as it slid across the smooth belly of her clinging satin pants. They were dancers' tights, really, gleaming black elastic almost bursting with the voluptuous curves of her firm, round ass and long, shapely legs.

Sweat poured from my body as I finally squeezed through the narrow opening. Mrs. S. followed, her boobs bouncing boldly with each step and the skintight pants threatening to burst under the strain of her supple ass.

"Don't you think you might get top dollar for the house?" she asked, as I knelt down on the floor to start taking my measurements.

"I doubt it," I replied, looking up at her but not being able to see much of her face past those wonderful tits. "I think 300 or 350 thousand would be tops."

"But if you really made an extra effort, I'm sure you're such a good real estate agent that you could convince some buyer it's worth a lot more, couldn't you?" She spoke in a pouty voice as she edged closer to me, resting a leg against my shoulder.

"Like I said to your husband

last night, you can ask a million for the place but I just don't think you can realistically expect more than 350," I replied.

"I told him I'd talk it over with you again," she cooed, "and try to change your mind. I'm just positive you have what it takes to find someone who'd pay that much. Here, let me help you..."

Stepping out of her slippers, Mrs. S. took the end of the tape measure and knelt down on the floor in front of me, bending all the way over in a posture that made her magnificent ass moon up before me like a mouthwatering pot roast.

The perspiration started in again and my hard-on grew bigger than ever as I tried to ignore her butt and get on with my work. It was my first job at a real estate agency and I'd taken my boss's warnings to heart that I should never get personally involved with a client. If I did accept Mrs. S.'s obvious offer to let me do a number on her and her husband walked through the door, I'd lose my agent's license faster than I could yank up my fly.

While my fumbling fingers were trying to undo a snag in the tape measure, Mrs. S. made a sudden, deliberate move backward, pressing her ass to my face so that my nose was buried in

the cavernous crack between her butt cheeks. As I sat bolt upright in shock, she kept at it, sliding her slippery, elastic-coated ass slowly up and down, back and forth across my chest. She was smiling at me over her shoulder and asking me to promise that I'd find a solid buyer who would cough up 400.

"I can't do that," I said in a cracked voice as I stood up trembling. The boss had told me under no circumstances to go over 350.

Gliding catlike to the bed, Mrs.

# The adventures of a horny real estate agent

ing and you can fuck me!" she groaned. Pulling her knees up, she thrust her nude buttocks out at me, wiggling and spreading them, showing me a glowing pink asshole, deep and puckered, as big as a silver dollar.

All my resistance was out the door, but fortunately for me, as I rushed toward the bobbing target of her wide-open asshole, the pressure of my pants against the head of my rock-hard cock was too much to bear. I ejaculated prematurely, spewing gobs of hot jism into my shorts.

In fact, my dick was still pumping cum when I heard the front door open. Grabbing my tape measure, I sprinted down the hall to the den, leaving Mrs. S. high and dry on her bed. Her husband together with my boss, who'd just stopped by to see how I was doing, luckily never suspected a thing.

I couldn't really blame Mrs. S. for what she'd tried to do. A one-shot it and that might net her as much as the money from the sale would sure as hell be worth it. But clients seeking a higher price, or a lower one when they're buyers, or trying to get me to reduce my commission, are just some of the sources of sex adventure a real estate agent can encounter. As a matter of fact, it can be a pretty fuckin' erotic profession if you set your mind to it. And after I'd gained a little experience, that's exactly what I did.

The incident with Mrs. S. took place when I was naive and just getting started in the business. Now I'd know how to handle it—how to both lap her delicious pussy and not jeopardize my job. All I'd need to have done was to arrange a meeting with her at a

safer time and not make promises in writing. That's how I've handled similar situations since then, and it's never failed.

One thing I've discovered is that, for some chicks, house- or apartment-hunting acts like an aphrodisiac. Touring new homes, especially ones they really like, seems to turn them on. And since three-quarters of the initial hunting is done by women alone, I get more than my share of opportunities to take advantage of hot babes.

Last week I showed a gorgeous penthouse apartment to a strawberry blonde whose sugar daddy had told her to pick out a discreet place where she could live and he could visit. Like many women, the first thing she wanted to see was the bathroom. (Surprisingly, it's usually the guys who head straight for the kitchen.)

This was no ordinary bathroom, let me tell you. It had a steam room/sauna, a whirlpool bath, exercise equipment, a bidet—the works. The chick was impressed and promptly announced that she wanted to try it out by taking a bath.

One rule I do not break is that the customer is always right, so while she filled the huge sunken tub with water, I camped out in the living room and started to catch up on my reading on some emails. Suddenly I heard my name being called from the bathroom. "How the hell do you make the whirlpool work?" asked the bare-assed blonde. She was up to her tits in bubble bath, as I poked my head in the door.

"Over here," I said, leaning across the tub and opening the false tile panel, where the controls were hidden. "Why don't you

S. pulled her sweater off, baring her creamy breasts, squeezing them in her hands, and milking the pink nipples with her fingers as she whispered, "Please!" My lips ached to suckle her big tit-ties and my overstretched dick ached to probe that bulging behind. With my last bit of willpower, I managed to shake my head no. I had to protect my job. Without the license, I'd never work again.

Rolling over on the undulating bed, Mrs. S. seductively lowered her tights, baring her gorgeous ass to me. "Do what I'm ask-

**...it can be a pretty fuckin' erotic profession if you set your mind to it. And after I'd gained a little experience, that's exactly what I did.**

join me?" she asked, grabbing my arm. A few moments later I was naked and stepping into the tub beside her. I knew that her sugar daddy was in Europe for the week and that no one else was scheduled to look at the apartment that day, so I felt safe in playing rub-a-dub-fuck with that blonde.

Jets of warm water swirled around our bodies like millions of feeling fingers, which were soon all over each other's wet sex. Slipping and sliding my hands on the blonde's tight body, I popped her cherry-red nips into my mouth and sucked her boobs until I had her squealing with desire.

While her erect nipples were flying in and out of my mouth, her hands were underwater, gently petting my balls and grabbing my stiff shaft. As I bunged her pretty little asshole with my wet finger, she bent over, took a deep breath, and plunged her head into the suds, swallowing my prick to the hilt. The lubricating water made her lips glide like a greased pussy up and down my rigid pole, bringing thrills I'd never experienced before. Meanwhile, her tongue was curled around the ridge of my cock, caressing my glans like a moist glove.

Wrapping my hands tightly around her blonde head when she finally came up for air, I plunged my dick back into her mouth and this time I controlled the action, face-fucking her like a champ. In and out of her anxious puckered lips I kept thrusting my tool, while she dug her fingernails deep into my thighs. At last I shot off one of the biggest cum explosions I'd had in a long time, squirting my liquid down her throat until she almost gagged.

For the next few minutes we

gently scrubbed each other's bodies and enjoyed the pleasant currents of the whirlpool, until I was ready to go back into action. As soon as the blonde felt my cock rising up to salute her shapely body again, she asked me to lie back in the tub while

started bouncing on my upraised rod like a rubber ball, howling and pounding her fists on my chest.

My cock throbbed as she repeatedly rose up to its tip, then slid back down in a thrusting squat, her ass cheeks bouncing back down against me. "Go,

she got on top.

I hadn't had an underwater screw since after high school, when I humped a girl who'd lost her bikini bottom while we were swimming at the Y. That fucking in a corner of the pool had attracted an uninvited audience, who seemed to almost cheer on our efforts.

The blonde and I were alone now, but she didn't need any applause to whip up her enthusiasm. A horny little nymph, she

baby, go!" I shouted, and she started dipping a mile a minute, riding me like a galloping horse.

"Fuck me!" she begged and I obliged, thrusting a fountain of sticky semen straight up into her cunt. She came so hard I thought she'd pass out, shrieking and squeezing her tits so tightly it looked like her nipples would burst. She wouldn't get off me until her pussy had sucked out every last drop of cum left in my balls.

**At first, she was angry that we were both after the same sale. But then she warmed up, offering me a bit of action if I'd give her exclusive rights to the house for a week.**

On top of it all, I made a nice big commission on the rental of that apartment. And that sugar daddy never suspected the unexpected dividends I'd collected from his private stock.

Another sex adventure that had come my way totally out of

"accommodations."

I remember one choice piece of property I wanted to handle exclusively, but when I went to look over the fine old mansion, I found another agent checking it out. Her name was Jennifer and she was a piece of ass any dude

that she was a first-class hedonist who was into every form of fun, from the kinky to the outrageous.

"Name your pleasure," she told me. "I love it all."

"Nothing too crazy," I replied. "I'm kind of low key and I don't go for anything too weird. But I do like it doggy style. Why don't you give me a taste of what you've got?"

"Sounds like a plan," said Jennifer.

I lifted her over my knee and gave her a butt a few gentle taps that turned her jiggling ass nice and hot. Wriggling and moaning, she got me so turned on that I couldn't wait to give her the drilling I'd come for. Without a moment's hesitation, I lowered her to the floor and took up a position behind her.

"Oh, yeah!" moaned Jennifer, as I slid my cock up her pussy from the rear. I'd always had a preference for doing it that way. A woman's pussy seems tighter when you penetrate it from behind, and the head of your cock rubs against the opposite walls of her cunt from the missionary style.

Jennifer let out a shivering cry with each of my stabbing thrusts. Each one seemed to increase her lust and soon she was begging me to discharge my heavy load inside her. Ramming my dick faster and faster into her cunt, I gave it one last series of rapid-fire plunges and exploded, pumping my cream into every wet corner of her quivering vagina.

Wishing her luck on the sale of the house, I got dressed and went home, tuckered out after another long day in the life of a real estate agent.

the blue: other real estate agents. The fact is, more than half the real-estate salespeople in the country are women, and there have been many times when I've been able to sample the benefits of that phenomenon. You see, independent agents like me tend to be a very competitive group, but sometimes, when we reach a stalemate, we wind up making deals with each other. We might split a commission or trade off a piece of property for another. Or, now and then we may make other

would love to get their hands on.

At first, she was angry that we were both after the same sale. But then she warmed up, offering me a bit of action if I'd give her exclusive rights to the house for a week. I looked her over and decided she was worth it, even if it meant losing a large commission to her. (Besides, if she could hook herself a male buyer with any kind of dick between his legs, I would have lost the sale anyway.)

When I got to Jennifer's apartment for my payoff, I discovered

I had to wait three whole months for an appointment with the best photographer in town. My modeling agency was pretty satisfied with the pictures in my portfolio, but felt their photographer could produce better images. What do you think? Did she capture my best assets? ## pool boy

I've always enjoyed chilling outside by the pool, and it's probably a bit natural that one my first jobs was as a pool attendant at a hotel. It wasn't great pay, but it was a fantastic atmosphere, with the best part being all the women I served hid absolutely nothing.

Toward the end of my first summer, it was getting close to closing time and most of the guests had left for the day. One small group of women, however, had stuck around. They'd been in the same cabana the entire day and seemed to be watching me ever since I came on shift. They weren't bothering anyone, and I loved showing off, so it was no big deal to me, but I needed to close up.

There were three of them, all in their early twenties. And as I approached, all three of them lowered their glasses and gave a teasing look. I smiled warmly, not afraid to show off my bare, wet torso from jumping into one of the pools a minute before. But as I told them the pool was closing and that they would need to start packing up, they acted like this was what they were waiting for. In unison, they all undid their tops, showing me six large, pillow-like breasts, one of them shaking them to show off.

I tried to stay professional, but their display quickly tented my trunks, and... well, I couldn't just let them walk back into the hotel topless, so I moved in closer. The first one, a long-legged beauty with raven hair and caramel

flesh, got up and pulled the tie that held the flaps of the cabana. Then, the second one, bronzed with deep golden hair, firmly grabbed my cock through my shorts, while the third, a tall, fiery red head, turned my head to pull me into a deep kiss.

They told me how much they'd been watching me through their vacation, and that was the last day they were there. At that point, I shrugged it off, pretty much willing to let them do whatever they wanted. They guided me back towards one of the loungers before they all crouched down and gathered around my crotch. It didn't take long to get my red trunks off, and the women quickly started making out over my cock. My eyes rolled to the back of my head as three tongues and sets of lips started fighting for my engorged meat. I'd never felt that hard before, like it was a rocket ready to launch.

The women moved around, each giving me a turn buried in their chest, while the others seemed to worship each other and my dick equally. My hands started getting friendly and tracing up over their goddess-like bodies and one by one pulling down their bikini bottoms. They were each neatly trimmed, and my fingers let themselves into each one in turn.

By this point, I was more or less going with what these women wanted, completely okay that it was me. Eventually, when they'd had enough of swallowing my dick,

they lay back down on the loungers in a line, two face up, while the raven-haired beauty went ass up. I smirked and went for her first, plunging my dick deep inside her plump, hungry ass. She let out a little whimper, but nothing loud enough to attract attention.

I gave myself a couple of minutes with the first woman, getting myself right to the edge before I pulled out and moved on, taking the red head next. She was louder, and her eyes more fierce, as I let myself into her open pussy. She wrapped her legs around my head, pulling me closer and not wanting to let me go.

Next to us, the other two women were watching us and making out, touching themselves and each other as I enjoyed their friend. Again, I went right up to the edge before pulling out, though she was a lot less willing to let me go.

as they headed back to the hotel, and I got back to work, remembering why I love pool season!

## the massage

A few weeks ago, I decided to treat myself to a full spa day. It'd been a few rough weeks, and there wasn't much chance of a change in sight, so I figured I needed it. The best part was when I got the service I didn't even know was needed.

I'm a tall, brunette woman who admittedly carries a lot of stress. I didn't think that the spa treatment would do that much, but it would be nice to get away from things for a while, so I figured why not. Most of the day was uneventful; I got my haircut and my nails done, be-

We all made out for a minute before I moved on to the bronzed goddess, my dick oozing from my precum and all the other juices. I drove myself deep into her as she pulled her legs out, giving me the widest and easiest access of all. I pressed harder and faster, driving myself to the edge once again. I went through each woman one more time before I finally pulled out jumped on top of one of the loungers, grabbing my dick and jerking it a few more times. They knew what they wanted, and all eagerly dove under my cock with mouths wide as I shot several huge loads over their faces. When I finished, they licked each other clean before milking out anything I had left over.

A few minutes later, they were giggling with each other

I drove myself deep into her as she pulled her legs out, giving me the widest and easiest access of all.

fore I was led into the massage room.

After I'd gotten ready and lay down, I heard a knock and a soft, gently accented man entered

the room, saying his name was Marco. I didn't bother looking up, simply letting him get on with his work.

He exposed my back, leaving the towel covering my ass and upper legs, and it didn't take him long to start finding all my stress. His hands were like dancers, moving across my back with a gentle grace that somehow knew right where to dig in and release the knots and tension.

Marco started at my shoulders and neck, taking his time as he slowly moved down my back. Every motion was intentional and deliberate... and relaxing. Even

though I couldn't see him, I could feel him staring at my smooth back, almost like he could read exactly where all the tension was. By the time he got to the top of the towel, my back felt lighter. But there was still tension. And Marco knew it.

He leaned in closer, asking if he had permission to go lower. I grunted an acknowledgement, at that point ready to let his magic hands go wherever they needed. He lowered the towel again, exposing my ass, and started his

I shuddered as he found different spots that I'd never been able to reach by myself. He turned me around, his bright eyes seemingly concerned about nothing but me. I gasped before nodding and telling him to please help me release the rest of the tension.

That was the cue he needed. He lifted my legs and started to move with a greater pace. I felt his balls slapping against my ass. I tried to hold the edges of the table, but he was starting to pound hard enough the table was

way down, finding tension and stress I didn't even know I had. Down the butt cheeks, along the crack... and in my hole.

I gasped as the first finger slid inside, followed quickly by a second, but he slowed down. Breathlessly, I told him not to stop. And suddenly, he was massaging the inside of my ass, finding a whole different kind of tension.

He still took his time, working my hole from every angle before I felt the fingers slowly pop out. I took a sharp breath and moaned one more time for him not to stop. He asked if I was sure, and I told him again to keep going.

There was a long pause and then I felt something sliding, not into my ass, but my pussy. I arched my back from the sudden pressure and looked over my shoulder at a gorgeously tanned man who looked at me with huge, almost puppy eyes, taking me from behind.

I let out a scream of pleasure, my body surprised at how long it had been and how much I'd missed it. Marco took his time, looking to me and reangling himself so that it was about my pleasure as much as it was for him.

I didn't think that the spa treatment would do that much, but it would be nice to get away from things for a while...

moving too. Each thrust sent a wave of pleasure through me. My eyes rolled to the back of my head, and I panted as he found a way to push himself deeper.

When he sent me over the edge, I let out a loud scream that I hadn't meant to, but that released a ton of stress and anxiety.

I watched as his smile reached his eyes, clearly enjoying that he had found the right spot. He started to slow down when I shook my head and asked him to finish in me. I nodded through his look and he somehow managed to find a new gear. It didn't take him long before I felt him explode load after load deep in my wet pussy, sending me over once again.

I left feeling considerably relieved, even after leaving the largest tip I'd ever considered.
